# WHAT

RISE UP is a leadership development and entrepreneurship programme for young people between the ages of 14 and 24 living in Stonebridge and the NW10 area of Brent. Young people will undergo an intensive programme where they will discover, develop and utilise the leadership skills that will enable them to build initiatives and enterprises for themselves and their communities.

# WHY

Following consultations with residents in Brent, many people have highlighted the need for social action in their communities. BANG stands for young people being the driving force for change in their local areas. It takes a village to raise a child and at BANG, we aim to inspire, support and develop young people to gain the skills that will enable them to reshape their communities. We aim to facilitate a new culture of positive and dynamic youth leadership, with more young people leading social action.

# HOW

## **Young people will embark on a leadership programme.**

They will discover the type of leader they are and how they can adapt, shape and improve their skills.

## **They will be challenged to explore their strengths and weaknesses,**

learn how to lead a team and how to overcome obstacles. By understanding their own behaviours and characters, young people will be able to gain and strengthen their interpersonal skills which are crucial for success.

## **Young people will establish an initiative or an enterprise**

## **They will be able to document their journey**

through personal diaries, videos and planners.

## **BANG will establish a member's club**

where participants can socialise and share their journeys with others.

# WHAT WILL YOUNG PEOPLE GAIN

# £100 FOR 100 WORDS

**£100 for 100** is a campaign that'll assess your creativity, passion and drive. We want you to write a 100 word proposal on a business idea that could change Stonebridge and the NW10 area. It can be about anything, from planting to creative arts. We are looking for innovative ideas and most importantly, we want to see your heart for Stonebridge and passion to drive the change shine! In phase 1 we will be picking 5 ideas for incubation and awarding £100 each to 5 young people who will have the opportunity to bring their ideas to life.
